STONE TO IRON AGE EXPERIENCE 10AM TO 8PM

An ideal transition which sits inbetween a Day Trip and a Residential experience and starts at 10am finishing after dinner at 8pm.

Morning: Stone Age

- Gathering and Cooking
- Learn about Flint tools
- Hunting the Mammoth
- Shelter Building

Afternoon: Iron Age

- Woodland Quest
- Warrior Training
- Archery
- Trade and Barter

In the evening

Team Games. Dinner. Roasting Marshmallows and Storytelling.

The boys have just had the best of days. Communication skills and team work were really well developed in the Quest activity. This is my favourite school visit! Jane Forshaw, Lockers Park

Go TRIBAL!

3 Days - 2 Nights

A dynamic residential designed to develop pupils confidence and communication skills to cope with new situations, ideal for facilitating transition to secondary school.

Students develop a range of woodland knowledge and work together on challenges, getting to know other students and building their own resilience, as they solve problems and learn new primitive skills.

Typical programme:

Day 1

- Camouflage and Conceal
- Woodland Orienteering
- Beaker Pottery

Day 2

- Cooking on real fires
- Wilderness First Aid
- Mini Raft Building

Day 3

- Shelter building
- Tree ID and Tracking

All the activities benefitted learning, very informative leaders who were confident to let the children lead and responded in an informed way to their questions. **Julie Martin** St Catherine', May 2019

Celtic Harmony Camp is a Covid Secure Venue set in 13 acres of woodland with space for children to spend the day outdoors in the open air.

“ Since I last inspected Celtic Harmony some great developments in the operations and the facilities on offer have occurred.

A new Centre has been built which houses a large indoor space for learning.

It has a Neolithic cave in one corner and will also have a Stone Henge structure in the other. It is a great space for learning and will ensure that young people can visit the site all year round. The centre will also offer family bathrooms and showers.

All staff are professional, friendly and welcoming. The site was immaculate and the wonder it creates for first time visitors must be very special.

It is a well run facility and the learning it offers to young people is fabulous.
